

OUR CSR* COMMITMENTS

*CSR: Corporate Social Responsibility

AIT, SEY and BFF

naturally follow an environmental approach.

Every year our solutions enable us to significantly reduce our customers' greenhouse gas emissions.

CSR vision

Beyond this environmental dimension, we respect the rights of those women and men we work with.

We build healthy and long-lasting business relationships with our partners.

We have a genuine environmental and societal impact within our sphere of influence.

WE INNOVATE TO ENHANCE THE VALUE OF YOUR ENERGY SOURCES THROUGH EXPERT SOLUTIONS THAT RESPECT THE PLANET.

Commitment

This determination is confirmed through our commitment to the 10 principles of the United Nations Global Compact.

We urge our stakeholders, in particular our employees and business partners, to subscribe to these principles.

The 10 principles

HUMAN RIGHTS

1. Businesses should support and respect the protection of internationally proclaimed human rights; and
2. make sure that they are not complicit in human rights abuses..

ENVIRONNEMENT

7. Businesses should support a precautionary approach to environmental challenges;
8. undertake initiatives to promote greater environmental responsibility; and
9. encourage the development and diffusion of environmentally friendly technologies

LABOUR

3. Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
4. the elimination of all forms of forced and compulsory labour;
5. the effective abolition of child labour; and
6. the elimination of discrimination in respect of employment and occupation.

ANTI-CORRUPTION

10. Businesses should work against corruption in all its forms, including extortion and bribery.
